MAKE A DIFFERENCE

The 2024 MENTOR of the Year Awards is an opportunity for mentoring supporters to come together for an evening of celebration, remembrance of the life of Luke Boisi, and connection with new and old friends — all while raising funds for MENTOR New York to continue its mission to fuel the quality and quantity of mentoring relationships for young people and achieve its vision:

To create mentoring cultures and foster mentoring relationships wherever young people live, learn, work, and play.

WHY MENTORING

Mentoring is good for your business and for your community. Mentoring helps tap into a young person's potential enabling them to achieve more than they believed they could, motivating them to take strides in their education, and preparing them to walk through your doors one day as a motivated and qualified employee.

Investment in mentoring can also enhance a corporate culture by strengthening employee relationships, employee satisfaction, and cultures of diversity, equity, and inclusion.
