

ENGAGE YOUR EMPLOYEES IN MENTORING

For over 25 years, MENTOR New York has been the go-to nonprofit resource for relationship development and program management in New York State.

A state Affiliate of MENTOR National and the leader of the NY Mentoring Movement, MENTOR New York leverages research-based expertise to consult with nonprofit and for-profit partners to implement best practices for quality mentoring in the workplace.

WHY MENTORING?

Mentoring is good for your business and for your community. Learn more about the [proven business benefits](#).

IN YOUR OFFICE

CAREER DAY - Introduce your brand to the future workforce during a career day experience for emerging professionals in the community.

SPEED MENTORING EVENT - Engage employees in a one-time, speed mentoring event with youth in the community centered around an intended outcome (ex. college readiness, career focus, etc.).

TOOLKIT FOR NEXT GEN WORKFORCE DEVELOPMENT - Infuse a mentoring mindset into the supervisor-intern relationship to improve outcomes with our innovative Connect - Focus- Grow curriculum.

INTERNAL MENTORING PROGRAM - Invest in your new hires and increase retention by creating a mentoring program within your company matching new talent with managers and executive staff.

IN YOUR COMMUNITY

ADOPT A SCHOOL OR PROGRAM - Use a school-based model to partner with a local school and engage your employees in formal mentoring with young people.

START-YOUR-OWN COMMUNITY MENTORING PROGRAM - Create a program unique to the personality and priorities of your company by matching employees with youth in the community.

INVEST IN COMMUNITY LEADERS - Position your company as a leader in growing the expertise of mentoring and youth development professionals by supporting MENTOR New York's annual conferences.

SPONSOR AN EVENT - Introduce employees to mentoring through support and involvement at events including the annual Mentor of the Year Awards.
