MAKE A DIFFERENCE

Mentoring's TOPGOLF Challenge is an opportunity for NY's community of corporate mentoring supporters to come together for an evening of good-hearted competition and employee bonding that raises funds for MENTOR New York to continue its mission to fuel the quality and quantity of mentoring relationships for young people and achieve its vision:

*To create mentoring cultures and foster mentoring relationships
wherever young people live, learn, work and play.*

WHY MENTORING

Mentoring is good for your business and for your community. Mentoring helps tap into a young person's potential enabling them to achieve more than they believed they could, motivating them to take strides in their education, and preparing them to walk through your doors one day as a motivated and qualified employee.

Investment in mentoring can also enhance a corporate culture by strengthening employee relationships, employee satisfaction, and cultures of diversity, equity, and inclusion.

BECOME A SPONSOR

Individuals and companies who sponsor the 1st Annual Mentoring's TOPGOLF Challenge are:

1. Making an investment that reaches young people on Long Island and across the state.
2. Tapping into a unique and valuable employee engagement opportunity.
