

ENGAGE YOUR EMPLOYEES IN MENTORING

For over 25 years, MENTOR New York has been the go-to nonprofit resource for relationship development and program management. Leveraging our expertise, we advise and train over 850 partners how to start, manage and improve quality youth-facing programs for age groups including elementary, middle, high school, college and opportunity youth (up to 27 years old).

MISSION - To fuel the quality and quantity of mentoring relationships for young people and close the mentoring gap in New York.
